RE: Weber Road sewer extension project
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the sewer extension project on Weber Road, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Weber Road. The closure is located just West of 1044 Weber Road. **The road will be closed to through traffic on Monday 8-7-2017 through Tuesday 8-8-2017.** The length of detour is approximately 1.08 Miles or 5,680 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

Patrick Manger, P.E., P.S.
Clermont County Engineer
